Dear Helen,

**Waste Batteries and Accumulators Regulations 2009 (as amended)
Notification of grant of approval of a waste battery treatment operator**

We have considered your application for approval as a waste battery treatment operator under The Waste Batteries and Accumulators Regulations 2009 (as amended) (*the Regulations*).

Waste Portable Batteries

We hereby grant approval to **Wastecare Limited** operate as an approved battery treatment operator for waste portable batteries. Your operator approval number is BT2610421BT

Your approval covers the following sites only:

Site name and address	Individual site approval number	Amount of evidence notes (tonnes)
WasteCare Halifax Units 1 – 6 North Dean Business Park Stainland Road Greetland HALIFAX HX4 8LR	BS2610504BS	Over 15 tonnes
WasteCare Normanton Eco House Tyler Close Normanton Industrial Estate NORMANTON WF6 1RL	BS2610634BS	Over 15 tonnes

Your approval is subject to the conditions specified in Part 2 and Part 3 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved sites only.

Your approval is valid from 1 January 2026 and ends on 31 December 2026, unless it is otherwise suspended or cancelled.

Waste Industrial and Automotive Batteries

We hereby grant approval to **Wastecare Limited** to operate as an approved battery treatment operator for waste industrial and automotive batteries. Your operator approval number is BT2610422BT

Your approval covers the following sites and categories only:

Site name and address	Battery category	Individual site approval number	Limit (tonnes)
WasteCare Halifax Units 1 – 6 North Dean Business Park Stainland Road Greetland HALIFAX HX4 8LR	Automotive & Industrial	BS2610505BS	Over 150 tonnes
WasteCare Normanton Eco House Tyler Close Normanton Industrial Estate NORMANTON WF6 1RL	Automotive & Industrial	BS2610635BS	Over 150 tonnes

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved sites only.

Your approval is valid from 1 January 2026 and ends on 31 December 2026, unless it is otherwise suspended or cancelled.

The approval allows you to treat and recycle waste industrial and automotive batteries which you accept at these sites for treatment and recycling.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed, or are likely to fail, to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved sites, or may apply to your whole approval. Your whole approval will cease to have

effect if you cease to be a battery treatment operator, or you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application.

This approval does not replace any other environmental authorisation that you may have for the sites. You must continue to comply with these and other relevant legislation.

Please contact **George Duckett** on 020 847 476 08 if you have any queries.

Yours sincerely

David Keogh
Senior Technical Officer
