Dear ,

The recent load that we have received at our site has been issued with a non conformance for the following reason:

| Non Conformance | Y/N | No of containers affected / Excess residues | Further Action required? |
|------------------------------------|-----|---|--------------------------|
| Excess Residues | N | | |
| Incorrectly Consigned | N | | |
| Previous Contents not as Described | N | | |
| Poor Condition | N | | |
| Comments – | | | |

Further Action

Because of the above Non Conformance we have to take appropriate action. Please choose from the below options how you would like to proceed.

| Option 1 | Option 2 | Option 3 |
|---|---|---|
| The customer arranges for the containers to be collected. | Wastecare arranges for the containers to be delivered back to their point of origin | Wastecare arrange the disposal of any excess residues and/or further treatment. |
| Total Cost £0.00 | Total Cost | Total Cost |

Please note all charges are subject to VAT and are valid for 90 days from the date above. Please review our Terms and Conditions by visiting www.wastecare.co.uk/terms-conditions/. We reserve the right to levy additional charges should the materials not be as described or our vehicle is held on site for an excessive time.

If we do not receive instructions with 5 working days then we will automatically proceeded with Option 3 for which you will receive an invoice.

Regards
