Dear Mrs Kellett

**Waste Batteries and Accumulators Regulations 2009 (as amended)
Notification of grant of approval of a waste battery exporter**

We have considered your application for approval as a waste battery exporter under The Waste Batteries and Accumulators Regulations 2009 (as amended) (*the Regulations*).

Waste Portable Batteries

We hereby grant approval to WasteCare Limited to operate as an approved battery exporter for waste portable batteries. Your approval extends to the following specified overseas sites only:

ABE operator approval number:	BE2010455BE
--------------------------------------	-------------

Your approval is subject to the conditions specified in Part 2 and Part 4 of Schedule 4 to the Regulations. Your approval applies only to the named exporter for the specified overseas sites only.

Your approval is valid from 01 January 2020 and ends on 31 December 2020, unless it is otherwise suspended or cancelled.

The approval allows you to issue evidence notes for waste portable batteries which you export for treatment or recycling at these specified overseas sites. You must issue evidence notes in accordance with the Regulations. You must not issue evidence for batteries unless it can be lawfully sent to and received at the intended site in the country of destination.

Waste Industrial and Automotive Batteries

We hereby grant approval to WasteCare Limited to operate as an approved battery exporter (ABE) for waste industrial and automotive batteries. Your approval extends to the following specified overseas sites and categories only:

Your approval covers the following sites and categories only:

ABE operator approval number:	BE2010454BE

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved overseas sites only.

Your approval is valid from 01 January 2020 and ends on 31 December 2020, unless it is otherwise suspended or cancelled.

The approval allows you to export waste automotive and industrial batteries for treatment and recycling to these specified approved overseas sites.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed, or are likely to fail, to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your overseas sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be a battery exporter, or you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application. If you wish to export to any additional overseas sites you must submit an application to extend your approval to cover these sites, which will incur a charge of £110 per additional site.

You must ensure that all international shipments of waste batteries are in accordance with the Waste Shipments Regulations. More information on this can be found on our website at <https://www.gov.uk/guidance/importing-and-exporting-waste> or by contacting our International Waste Shipments team on 01925 542 265 or emailing to AskShipments@environment-agency.gov.uk.
